The City of San Diego Learn to Swim Program☆

The Learn to Swim Program is designed to teach swimming to children through adults in a positive, fun and safe environment. The City of San Diego offers year-round swim lessons, placing the emphasis on logical skill progression, water safety awareness and endurance. Instructors are all certified by the American Red Cross.

Course descriptions and age ranges should be used as suggested guidelines for appropriate student enrollment. Parents should log on to <http://www.sandiego.gov/park-and-recreation/aquatics> for full description of all classes or contact the Pool Manager. Students may be more accurately assessed on the first day of class for their individual skills and abilities. Students may be transferred to a different class level or be required to repeat a class level. The Pool Manager should be informed of any special needs of the students before the first class session begins.

PARENT/TOT (6 months to 3 years*) With an emphasis on fun and games, our instructors demonstrate swimming techniques that you will use to safely assist your child in adjusting to the water and understanding pool safety rules. This class requires a parent or other responsible adult to participate in the water with the child.

TINY TOTS (3* to 5 years) Prerequisites: The child must be able to understand and obey instructions. Fun songs and games allow Tiny Tots to adjust to the water and be introduced to basic swimming skills. The class is conducted without parent participation.

ADVANCED TOTS (3* to 5 years) Prerequisites: Tiny Tots Swimmers continue to develop basic swimming coordination.

SUPER TOTS (3* to 5 years) Prerequisites: Advanced Tiny Tots Super Tots are introduced to side breathing and learn to swim greater distances on their front and on their back.

*Children age 3 and under are required to wear a tight-fitting "swimsuit diaper" or tight-fitting plastic pants under a swimsuit.

CHILDREN SWIMMING LESSONS (6 years and up) Lessons include Beginner 1, Beginner 2, Beginner 3, Advanced Beginner, Intermediate, Swimmer and Advanced Swimmer.

ADULT LESSONS (ages 15 and up) Adults are taught individually and as part of a group in a multi-level class of students with varied skills from beginning through advanced.

PRIVATE/SEMI-PRIVATE LESSONS Private or semi-private classes are available for special needs or personal instruction. The instructor will focus on the skills suited for the participant. The Pool Manager can be contacted for more information and the scheduling of private lessons.
